

**13** Responsible Business Practices Worksheet

RBE Worksheet 13 provides a tool to help owners and managers consider the responsible business practices discussed in this chapter. The worksheet may be photocopied for use within your organization. Owners, managers, and staff members should work together to compare and contrast current management practices with enterprise standards, procedures, and expectations or the reference standards discussed in this chapter. Expect significant give and take about what the relevant current standards and practices actually are; this discussion is part of the dialogue and engagement process an RBE wants to foster.
