

Market Development Cooperator Program

Targeted Markets

Since the first projects were launched in 1993, MDCP partners have targeted a wide variety of markets. Awards have underwritten substantial market development activities in approximately 60 foreign markets, including the following popular markets:

- China
- Mexico
- Brazil
- Japan
- Germany
- Argentina
- United Kingdom
- South Korea
- Chile

Some of the other markets that have been increasingly attracting MDCP partners' interest include:

- India
- United Arab Emirates
- Saudi Arabia
- Vietnam
- Poland
- Russia
